Toy Tanker Trucks

I made 48 of these toy tanker trucks for the club program Christmas Toy Project. The tank is 2" in diameter and 5" long. Wheels are 1¼" in diameter. Made with construction grade 2x4's.

File cabinet for the wife and hand-tool made entryway shelf/key holder  
Cut the board with a Ryoba pull saw and did my first hand cut dados for the shelves. Cabinet is Sapele finished with red mahogany stain and arm r seal wipe on poly. The shelves are cherry sanded to 400 and finished with 3 coats orange shellac . Also looking for a salvageable router plane and shoulder plane.

Gerald Wheeler gave me a 2 inch thick disk he did not want anymore .  
Sliced it into 3 pieces and added a 4in. beveled mirror to it and added  
on a Walnut handle.
