Our Next Regular Meeting will be

January 27, 2020

Our next meeting will be on Monday, January 27th, 2020 at our regular meeting facility, 1685 Ashley in Beaumont. Jeffery Fritz will present the program, "Building an Entry Table with Standout Joints", featured in the February 2019 Fine Woodworking magazine.

Directions: Take the MLK exit on IH-10, go South on MLK and then turn West on Ashley. Go two blocks and you're there.

Annual Board of Directors Meeting

We will have our annual Board of Directors meeting prior to the regular club meeting on Monday, January 27th. It will start at 6:30 PM and everyone is invited and encouraged to attend. We will do the required financial audit and discuss plans for 2020. The regular club meeting will start immediately after.

variety of patterns.

Philip Woodland has been busy making cutting boards for Christmas presents. He uses walnut, maple and cherry woods in a

J. Goodwin built his mother-in-law a wine cabinet using black walnut and alder stained with Minwax black walnut stain. It measures 14" wide, 14 ½' deep and 34 ¼' tall. He applied two coats of blond shellac and then a Minwax Wipe-on Poly finish.

He also built his mother a 'waterfall' cutting board.

Waterfall means that it is built with two pieces that go over the edge and down the side of the countertop.

And he also built her an end table using

cherry. It measures 15 ½" wide, 23" deep and 22" high. It has a unique 'pull out' writing desk she can use when she's using her 'iPad'.

J used a coat of blond shellac to enhance the grain and followed it with three coats of Minwax Wipe-on Poly finish.

J plans to make her a matching end table in February that has a storage drawer instead of the writing desk.
