Our Next Meeting will be June 22nd

May 25th Meeting

The May 25th meeting was cancelled due to the pandemic restrictions. Our regular meetings will resume when the pandemic restrictions are lifted and the board of directors determine it is safe. Our next scheduled meeting is June 22nd.

Upcoming Events

We still have the following special events scheduled for 2020:

- Shop visit at Steve Brady's shop on August 15 at 10AM
- Swap Meet on September 19th

The swap meet will be at our regular meeting location and run from 9AM until 12Noon. As in the past, only club members and guests escorted by club members may attend.

Note: These special events may be cancelled or rescheduled to keep us in compliance with current restrictions and guidelines.

Show & Tells

Since we are unable to have our regular club meetings, we decided to share our woodworking show and tells via emails. We will apply the usual door prize and show and tell drawings to the email show and tells. There will be a separate drawing for a \$25 door prize and a \$25 gift card at the next regular meeting for each show and tell group. The eligible members do not have to be present at the next meeting to win.

During our first period, March 27th thru April 20th, we had 11 members share their woodworking projects. During the second period April 21st thru May 18th we've had 8 share their projects. Since we won't have the May 25th meeting, we will have a third group from May 19th thru June 15th with the same rules.

Please stay safe and healthy and continue to share your woodworking show and tells via email. I plan to publish a separate document showing the shared show and tells from the second group.
